P.C.:

. The order impugned by which the learned trial Judge acquitted the accused under section 302 r/w section 34 of the Indian Penal Code is a well reasoned order. The entire evidence is appreciated. The hostility of some of the witnesses considered and on proper appreciation of evidence, the learned Judge came to the conclusion holding the accused not guilty. Such conclusion cannot be said to be perverse requiring interference by this Court. Hence, the application for leave to appeal is rejected.
